Please note that other youth in other Regions/Territories outside Zimbabwe must contact their Youth Advisors. However, this does not exonerate them from reporting to the above Youth Advisors.

The following are the youth traditions that should be adhered to by the JRM Youth:

SECTION A: RELATIONSHIPS

1. If you were in a relationship with a non-believer at the time of baptism or were in a relationship with a boy or girl who believed before you were baptized, you should immediately make it known to the Youth Pastor or Youth Advisors.

2. Members of the Jesus Revelation Ministries should be at least Six Months old in the faith before considering a relationship. Six months is symbolic, as far as maturity in the Gospel is concerned.
3. Those who would have broken up because of different circumstances which render the relationship unamendable should wait for a prescribed time given to them before getting into another relationship. They should make an appointment with the Youth Advisors or the Youth Pastor for help.
4. Boys are not allowed to marry a girl who is 20 years and below. Unless or otherwise either Youth Pastor or Youth Advisors grant permission. Similarly, the same applies to girls below the stipulated age.
5. Boys below the age of 24 are not allowed to enter into a relationship unless given a go-ahead to do so by the Youth Pastor or Youth Advisors.
6. There is no restriction to relationships with non-believers, however, the status must be known to the Youth Pastor and the Youth Advisors, before the establishment of that relationship. The non-believer who intends to marry or to be married by a JRM member must be engaged in pre-marriage counselling.
7. All relationships should follow purity and holiness: never involve intimacy, any sexual contact, or indecency.
8. Approaching a sister in the JRM family without the knowledge of the Youth Pastor or Youth Advisors is gross misconduct and uncharacteristic for boys groomed well in the word of righteousness. Similarly, for girls to desperately accept such unsanctioned operations without guidance from the Youth Pastor or Youth Advisors is gross misconduct and can attract disciplinary proceedings.

9. Running a covet/secret relationship that is not known to the Youth Pastor or Youth Advisors is gross misconduct. Similarly, being aware of such relationships and failing to report it to the Youth Pastor or Youth Advisors is equally an act of misconduct and can also attract disciplinary measures.

10. If a brother approaches a sister without following the proper procedures outlined in our traditions the sister should immediately report the matter to the Youth Advisors or Youth Pastor. Failure to report is considered an act of misconduct.

    a) It is taboo for a sister to lower standards and approach a brother in a bid to initiate a relationship. In case that happens, the brother should report such Babylonian(worldly) misdeeds with immediate effect to the Youth Pastor or Youth Advisors.

    b) Approaching the Youth Pastor/ Youth Advisors to introduce and formalize an existing covet/secret relationship is equally misconduct and can attract disciplinary measures. However, doing corrections is a noble thing.

    c) Any girl approached by a brother with a relationship proposal is instructed to confirm such development to the Youth Advisors or the Youth Pastor before making any decision.

SECTION B: OTHER TRADITIONS UNDER RELATIONSHIPS

11. Those who are in courtship should continuously seek to attend lessons that are given by the Youth Advisors and the Youth Pastor for guidance's sake.
12. Those in courtship must receive teachings from the Men's Council and Women's Council for boys and girls respectively.
